Message From The President

To Our Members,

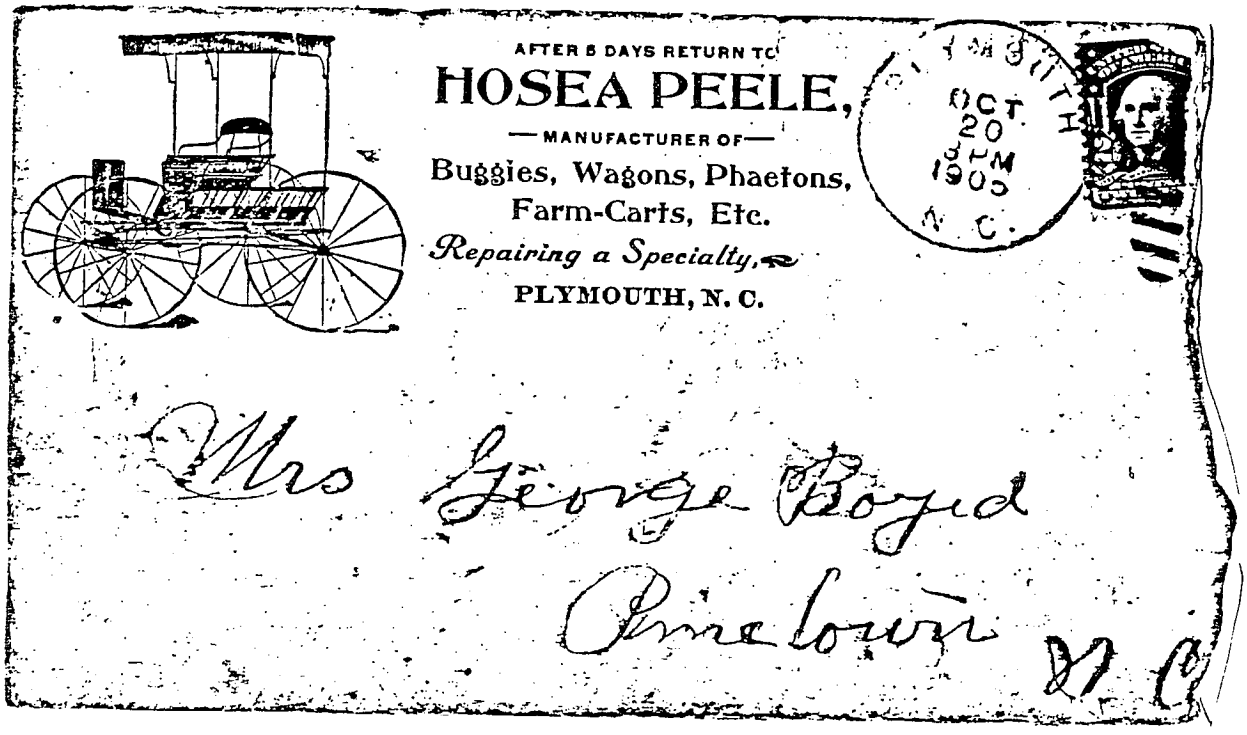
Have you ever attended a few meetings of an organization with the full intention of being only a spectator? Then you suddenly awaken and find yourself president. That's how it happened. Thank you for your confidence in me. I'll try to deserve it.

Let us work together in assessing our needs, in seeking our resources, in utilizing them for the benefit of every member, and in enjoying every moment of it.

This Society wishes to extend to former President, June Thomas our thanks for the time, effort, and capable leadership which she gave in our behalf. You helped us to get organized and operating. "Thank you, June!"

We wish to thank the Beaufort County Genealogical Society for the publicity which they gave us in the Pamteco Tracings. Your recognition and support are appreciated.

Envelope below contained a letter written by Julia Falona Boyd Peele-Born: 1873 to her mother Mary Virginia Marsh Boyd - Born: 1846. Julia Falona Boyd was married to Hosea Peele. This was submitted by their son Marvin Leon Peele, Sr.



Washington County

Washington County was created by the General Assembly of 1799 from Tyrrell and was named in honor of George Washington. The first courts met at Lees's Mill. Plymouth, settled in 1745 and incorporated in 1807, became the county seat in 1823. It was named after the town of Plymouth in Massachesetts.
